Description

This handcrafted piece is carved from the stone of an avocado into an abstract design.

The charm is attached to a long thong by a wire loop screwed into the top of the charm. The thong is adjustable to allow the necklace to be placed over the head easily and then shortened to the desired length.

The abstract avocado stone charm measures approximately 2.5cm in length x 2cm in width x 1cm in depth

The necklace is presented in a black gift box made from 100% recycled card.
