Description

Happy Pixie's Enchanting Felted Fairies are all individually handcrafted and so are all unique. No two fairies will be completely identical.

They have all been given a temporary name but you can choose whether you want to keep this or to give them a new one!

This fairy is approximately 12cm tall when in a standing position. She has a dress of dark forest green and has ruby red hair. She has a metal triquetra charm at her waist. Her waist and neckline are also decorated with green Preciosa Czech silver lined glass seed beads.

Every Fairy comes presented in a gift box made from 100% recycled card.

Each fairy has a wire frame, so can be adapted to different positions depending upon whether you would like them to be sitting, flying (using the string hanger attached) or standing up (propped - the fairies will not stay standing upright unassisted!).

Each fairy has then been finished with embellishments of either felted flowers, glass or wooden beads, metal charms, ribbons or a combination of the above.

These fairies are for decoration purposes only and are not toys to be played with. This is due to them having a wire frame and small parts in the embellishments. Also, the wool fleece may present a choking hazard. Please keep out of the reach of children or any who

may try to put them in their mouths.

For care of your fairies, try to handle as little as possible as excess handling could lead to the fluffy, unfelted parts of the fairy (wings, hair and skirts) felting and matting, which may detract from the look of your fairy. Do not try to wash your fairies. When not on display they would be best kept individually boxed in a dry place.

Please note that any background props or stands in the photographs are for display purposes only and are not included in price of the product, unless otherwise stated.
