Description

This beautiful 'Summer' Angel has been handcrafted with love to create a fabulous collector piece for your home or as a special gift.

It has been crafted entirely by hand, needle felting soft buttercup yellow Merino wool onto a core wool base that has been needle felted onto a metal armature. This wire structure allows for the Angel to be posable as desired.

When upright, it stands at approx 22cm tall.

The Angel has then been decorated with embellishments of Preciosa silver lined glass seed beads, finished off with a metal sun charm at the waist.

The felted Angels are for decoration purposes only and are not toys to be played with. This is due to them having a wire frame and small parts in the embellishments. Also, the wool fleece may present a choking hazard. Please keep out of the reach of children or any who may try to put them in their mouths.

For care of your Angels, try to handle as little as possible as excess handling could lead to the fluffy, unfelted parts of the Angel (wings, hair and skirts) felting and matting, which may detract from the look of your Angel. Do not try to wash your Angels. When not on display they would be best kept individually boxed in a dry place.

Please note that any background props or stands in the photographs are for display

purposes only and are not included in price of the product, unless otherwise stated.
